

Since 1974, Jimmy's Crabs have been nationally recognized as the gold standard. Our crabs are distinguished by their superior size and weight. Our relationships with both local and Louisiana crabbers have been strengthened over a 35+ year span of friendship, ensuring our "blue wonders" are hand-selected to establish superiority. Finally, our seasoning and steaming equipment are second to none, winners of dozens of awards and universally acclaimed. Select your favorite package, or feel free to customize your own!
